AUSTRALIA

PIPP EDUCATION

A destination where culture, nature and commerce meet. Interns will gain a rich diversity of experience and professional skills in this safe country.

SYDNEY

- Sydney, a global cultural and economic center, is an idea place for interns to gain experience in domestic and international business. It is also a charming city, offering a high quality of living and a rich variety of experiences.
- As a city with high concentration of multinational corporations and international banks, Sydney is the financial capital of Australia, making this city a good choice for interns who are interested in the fields of finance and business.

WHAT'S INCLUDED WITH AN INTERNSHIP IN SYDNEY

- Field trips

MELBOURNE

- As the business hub of Australia,
 Melbourne is the place where
 organizations and companies—from
 startups to international corporations
 —provide a wide array of opportunities
 for interns to learn and experience in
 their chosen fields.
- The unique role of Melbourne as a center of trade, and the place where East meets West, is evidence of the cultural diversity of the people in this city. This gives interns a chance to become more adaptable and to improve their language skills.

WHAT'S INCLUDED WITH AN INTERNSHIP IN MELBOURNE
