

# THAILAND

More than one of the most visited countries for tourists, Thailand is considered by the expats with quality of life, ease of settling in, cost of living, and work-life balance to work with. Interns will be welcome to join this program.

## BANGKOK

- Bangkok is known as “City of Angels” where is the combination of old and new together with local houses with temples around and modern buildings in the economic center.
- In Bangkok, it provides a lot of comfortable transportations; BTS SkyTrain, MRT Subway, Local train, Bus, Ferry boat, Express Boat, TukTuk, Taxi and Motorbike taxi.
- Moreover, with being the center of economic hub in Thailand, Bangkok is full of local and global companies settled in with various fields of work for interns and with work-life balance, interns will be able to work and live a life at the same time with street food, tourist attractions, and night life around!
