

THAILAND

More than one of the most visited countries for tourists, Thailand is considered by the expats with quality of life, ease of settling in, cost of living, and work-life balance to work with. Interns will be welcome to join this program.

CHAIANG MAI

- Chiang Mai is old city with the great traditional cultures for the interns to experience the charms of this lush, modestly sized traditional city in the northern part of the country.
- In Chiang Mai, with one of the export hubs to international trade, it provides the opportunity for interns to be a part of the export companies to see Thai export hub's processes.
