

VIETNAM

As one of the fastest-growing economies in Asia, Vietnam is an ideal destination for an internship.

HO CHI MINH

- Ho Chi Minh City, as the largest city and economic center of Vietnam, is a stand-out destination for interns who want to explore a city where tradition and development meet.
- Ho Chi Minh City, in the heart of Southeast Asia, is easily accessible from neighboring countries with cheap transportation and low living costs.
- Choosing to intern here will give you an opportunity to discover the legacy of French culture amidst the beautiful architecture of this unique city.
